

# INDONESIAN AQUACULTURE JOURNAL

## Instruction for Authors

### Scope

The Indonesian Aquaculture Journal publishes research results on aquaculture, coastal and freshwater fisheries, and the environment with special reference to South East Asian countries.

### Manuscript Submission

Manuscripts submitted to the Journal must be original with a clear definition of the objective, materials used, methods applied and results and should not have been published or offered for publication elsewhere. The manuscript should be written in English, in double line spacing on single-sided A4-size white paper. Two copies of the manuscript and a disk containing the manuscript file(s) produced using MS-Word must be submitted to the Managing Editor, Jl. Ragunan 20, Pasar Minggu, Jakarta Selatan 12540, Indonesia, e-mail: [publikasi@cria.indosat.net.id](mailto:publikasi@cria.indosat.net.id) or [info@cria.indosat.net.id](mailto:info@cria.indosat.net.id). There are no page charges for manuscripts accepted for publication, unless otherwise indicated below.

### Manuscripts Preparation

- ◆ A title page should be provided which shows the title and the name(s) of the author(s). The author(s) position and affiliation should be written as footnotes at the bottom of the title page.
- ◆ Title should not be more than 15 words.
- ◆ Abstract summarising the study to be no more than 250 words. Keywords (3-5) must be provided which clearly indicate the subject of the work. Do not use any sub-headings.
- ◆ Materials and Methods should clearly and concisely describe the experiment with sufficient details for independent repetition.
- ◆ Results are presented with optimum clarity and without unnecessary detail. Results should be presented in tables or figures but not duplicated in both formats. Tables (same font size as the text, lower case superscript letters to indicate footnotes), and illustrations/figures should be printed on separate sheets and given consecutive Arabic numbers.
- ◆ Conclusion should be short and should relate the objectives, with discussion of the results.
- ◆ Acknowledgements, if necessary, should be kept to a minimum (less than 40 words).
- ◆ References should be cited in the text by the author(s)' family or last name and date in one or two forms: Sugama (2000) or (Sugama, 2000). For references with more than two authors, cite the first author plus *et al.* Full citation in alphabetical order is required.
- ◆ Acronyms or uncommon abbreviations must given in full at the first mention; new abbreviations should be coined only for unwieldy names and should not be used at all unless the names occur frequently.
- ◆ Latin name and family of the species should be given besides its common name at the first mention in the manuscript, and the common name only for subsequent mentions.
- ◆ SI System should be used for all measurements.
