

STATEMENT LETTER

By this we registered a scientific paper to be published in *Indonesian Fisheries Research Journal* managed by the Center for Fisheries Research, with the title: **THE POPULATION CHARACTERISTICS OF MUD CRAB (*Scylla serrata*) IN THE KENDARI BAY WATERS AND THE SURROUNDING AREAS**. The data we use is the result of our research activities by Research Institute for Marine Fisheries, team Fisheries Management Area 714 in year 2016.

The scientific papers that have not been published and have been approved by the co author (author 2nd etc.) are involved in research activities mentioned above.

Thus Statement is made to be used accordingly.

Jakarta, February 2018
